Motion- Respect for 1.7 Billion Citizens of the world leader Prophet Muhammad PBUH

Scotland is championing in the freedom of faith and belief however nearly one hundred thousand Scottish Muslims get hurt and traumatised again and again because of the profoundly hostile and disrespectful comments against their beloved final Prophet of God Muhammad (PBUH).

Prophet Muhammad PBUH is being followed by more than 1.7 Billion citizens of the world because he guided them towards every aspect of life and gave the charter of humanity 14 centuries ago. As per that charter irrespective of race colour and gender every one's rights are equal and protected.

Repeated Islamophobic incidents in the mainstream media heavily effects and upset Muslim community and we expect our government not only condemn these type of hate preachers but also make this punishable crime under public unrest legislation.

Since this matter concerns more than 24% of the global population, these remarks should be condemned by Scottish parliament to limit further incitement of hate against under privilege communities. The prophet Muhammad (PBUH) is the most important figure not only in Islamic history and faith but for all existing Muslims which is to say that any hostile and false remarks against the final Prophet Muhammad (PBUH) are a direct disrespect to the Muslim world. A fair and straightforward demand ought to be led against culprits and take responsibility for the islamophobia and hate crimes that their comments inspired across the globe. No nation, country, individual or group of individuals around the world ought to be permitted to stifle individuals and sacred personalities of various religions and none. With regards to the aforementioned issues, we need positive actions for the safety of the rights of Human beings on the bases of Declaration of Universal Human Rights, Charter of Human Rights and the Human Rights Act.

So this motion is submitted to endorse following

No provoking statements and cartoon from any one or from big leaders or from any country

No state insulting for any faith

No insult and mockery for Prophet of Islam and all other prophets
