An accord of Muslim organisations, Mosques and Madrassas in Scotland

In the name of God, the Kind, the Caring

Statement of Condemnation

Muslim Council of Scotland is deeply sorry to learn about the incident in Pakistan. We strongly condemn the actions of the mobs leading to damages to the churches and the personal properties of respectable citizens of Pakistan our Christian brothers and sisters.

Our beloved the final Prophet Muhammad PBUH said a Muslim is one from whose words and actions other human fellows are safe. We also condemn the actions of the instigators of hate and hate propagators.

We are deeply concerned about the failure of law enforcement authorities in protecting Christian community. We demand from government of Pakistan to help in the rebuilding of the homes and the worship places. The responsible culprits must be brought to the justice.

Muslim Council of Scotland, believe in fostering a society where religious intolerance has no place. It is essential to understand that diversity in beliefs enriches our communities rather than dividing us. Let us embrace the beauty of different faiths and come together in harmony.

Muslim council of Scotland fully support the initiatives taken by the Muslims of Pakistan to rebuild the family homes, reablement of the victims and reconstruct churches damaged by the mobs.

We must hold each other's hands to make Pakistan and rest of the world progressive prosperous where every citizen of the world live in peace and harmony.

With heavy hearts

Dr Muhammad Adrees

Muslim Council of Scotland
